About Chennai Mathematical Institute

Chennai Mathematical Institute is a centre of excellence for teaching and research in the mathematical sciences. Founded in 1989 as part of the SPIC Science Foundation, it has been an autonomous institute since 1996.

The research groups in Mathematics and Computer Science at CMI are among the best known in the country. The Institute has nurtured an impressive collection of PhD students.

In 1998, CMI took the initiative to bridge the gap between teaching and research in India by starting BSc and MSc programmes in Mathematics and allied subjects. Students who have graduated from CMI have gone on to join leading institutions throughout the world.

CMI occupies a unique position in Indian academia, attracting substantial funding from both corporate and government sources.

TESSELLATE

About Tessellate

Tessellate is the annual college festival of CMI. The second edition is scheduled on 1-3 February 2019.

In deviation from the pomp and glitter of other college festivals, Tessellate is more about academic contests where people all around India can participate, events like Chess, Cubing, and Quizzes to for the brightest minds of India, interactive workshops and guest lectures.
